BOOK
(In the Name of the Father) Lyrics: Alina Tune: Jay Chou Song: Jay Chou
old organ in the corner accompanies on and on and on
It should be her… I haven't seen her on stage for so many years. The change is so big, like she's 2 different people……

大角虫漫画

Looks like a real mafia godfather,
Wind shakes the black curtains
those scenes of innocence once appear cruelly and gently
With sunlight penetrating in silence
onto those beasts tamed by me
Cry out in silence, cry out in silence.
Solitude begins to ferment.
A normal chair, she sat out the momentum of a throne
laughing at me all the time
Reminiscence gradually burns.
Time for fragility, let's pray together
